Welcome to Ballerina School of Dance

My name is Pilar Cervera, Artistic Director and Owner of Ballerina School of Dance. I would like to welcome you with open arms and express how pleased I am to see that you and your child/children have found an interest in my dance school.

I graduated from the National Institute of Bellas Artes of Mexico with a Bachelor of Arts Degree and a Major in Dance Education, and I also graduated from the University of Texas with a Bachelor of Arts with a certification in Dance Education. My training consists of Ballet, Modern Dance, Folklorico, Jazz, Flamenco, and Drama. I've had the honor to dance professionally for the Danzas Mexicanas Folklorico Company in Mexico City and recently taking courses with the finest dancers of Alicia Alonso's Company.

In recent years, I had an opportunity to work as Brownsville ISD Dance Consultant and Middle School Dance Teacher where I was able to teach many students a variety of dance routines.

Ballerina School of Dance has participated in the renowned "I Love Dance Competition" and has achieved numerous awards throughout the many years attending the competition. Many of the students have received first place in several categories and some have received the "sweetheart" award for consecutive years. A number of my former students have pursued dance degrees and/or have gone into dancing professionally.

I would like to have you / your child come in and dance with my Dance School and see how much of a green experience you will have here with my staff and I.

Best Wishes!

Pilar Cervera
Artistic Director and Owner
